SATURDAY, MAY 10.

" Very well, sir!" Littell's Living Age, weekly......\$10 00 "Ve-ry well!" mimicked Mr. Peckhain. "Do you know that her father is worth a quarter of a million?' " Is he, sir?"

a score of the wealthiest young men in town who monarchy, with which the Volunteers were closely Easterbrook vouchsafed to you this very night." "She was very polite, sir," said Henry, with rather of a puzzled look; "but-" "Polite! And pray what would you have Mr. Dalmayne? Do you want a woman to tell you

before you can take a hint?" Henry colored like a girl. It was impossible Mr Any Periodicals, not in this list, will be ordered at any to be quite in ensible to the charm of this flattery, the more especially as Uncle Peckham was not the Spanish possessions in America. In the event ordinarily one who "buttered his phrases," as of such a contingency our Government will prob-

the expression goe . "Yes, my boy-yes," went on the stockbroker, tapping the table emphatically with his finger ends; "she does love you! And I am not the only person who has noticed it."

"But, uncle, she is so plain!" "What of that? All women can't be Venuses, and the prettiest of 'em have a grinning skull and cross bone; under their pink and white skins and fair exteriors. Beauty is only skin deep !" Henry thought of pretty Lilias, with a thrill of her golden charms, could never hope to rival her!

Yet, as the days and weeks went by, his thoughts and ideas insensibly changed. The yellow lustre of the gold-worshiping at-DRINTS-FANCY, PINK, WHITE GROUND mosphere in which he lived seemed to wrap him round; the surface-glitter of society ideas gradually uprooted the old dogmas and axioms of his youthful faith. And one evening, carried away by the witchery and enchantment of the hour,

he proposed to Sarah Esterbrook, and was ac-Fine Black Doeskin, Fine Pilot Cloth!

"You're the luckiest dog going, Dalmayne,"

his prospects, believed that he was really a most | the present taxation will be £76.617,000, and the fortunate man For, according to popular rumor, he was going to marry one of the richest girls in London. And Uncle Peckham took to himself all the credit of

the whole affair. "This is better than plodding on one's whole life long behind a counting-house desk!" cried Ralph, joyously rubbing his lean and wrinkled palms. "A young man of enterprise and resolution can accomplish anything be .ets about now-a-days, especially if, like you, Nephew Dal- | dent that habitual drunkards were the sheet-anchor mayne, he happens to be tolerably decent-

villain all at once; and when Henry Dalmayne | bama claims by borrowing from the income tax and sat down to write to Lilias Raymond, his frame from sugar and other daties. of mind was probably far from enviable. But he got the letter written some how. He wrote that no answer would be expected, and no answer came. Three months afterwards, just as the preparations for the much talked of Esterbrook Dalmayne wedding were culminating, he chanced to meet

Dalmayne stopped, with real pleasure on his face. YELLOW METAL AND NAILS! "There ain't much news," quoth John, rather sulkily. In common with most of the neighbors, he was inclined to think that Henry had behaved very ill. "Except that Lilias Raymond is well,

and prettier than ever!" without signal success. "And Squire Ingoldsby's son is getting pretty attentive in that quarter," went on John; "and old Robert Raymond died out in India last

pounds." "Did he? I am glad of that." checked the half formed conjecture in his mind.

Ingoldsby would value, as he had done, the priceless treasure of Lilias' love.

a troubled look. "Have you heard the rumor, Dalmayne?" No? "Well, of course it can only be nothing

but a rumor. The house of Esterbrook and Esterbrook is too well established to be shaken by a mere fall in French stocks." abstraction of his mind. "Why, people are whispering about that the tauces all over the city.

Esterbrook's have failed!'

Esterbrook had failed, and Mr. Dalmayne was Herald's Cuban correspondent who was recently

engaged to a penniless bride. Henry Dalmayne, though a weak and vacillating man, was no scoundrel. He married Sarah Esterbrook and lives with her now in a Gower street lodging-house, daily growing more and more weary of his lite, while in his heart he cherishes the sweet memory of Lilias Raymond, ish if captured after visiting the insurgents be now another man's wife. CHICAGO, April 10 .-- A Washington special says the idea is entertained here that a change of policy is about to take place among the Spanish volum teers in Cuba which will give our Government considerable trouble. For some time the Volunteers " Is he, sir? Henry!" roared the old gentle- have had the virtual management and direction of man; "I believe you're a fool. Why, there are affairs in Cuba. This was especially so under the would give half that they posse .- ay, the whole allied. It is well known that they have no admi of it, if need be-for the smiles and glances Mi. 1 fation for the Spanish Republic, and they regard the United States with peculiar aversion. There is a report that the volunteers are maturing plans for taking possession of the Island and wresting from Spain. In case of any revolution of this kind it is believed that little respect would be shown for either the lives or property of American citizens out and out in so many wor is, that she likes you, The Volunteers would murder and confiscate a will. They would not regard themselves as bound by the treaties now existing between the United

States and Spain, and especially those relating to ably strengthen our naval force in Cuban waters, and use such measures as will insure protection of the lives and property of American citizens in Cuba. Boston, April 2 - Over a hundred liquor dealers were notified to appear in the Manicipal Court, to answer to charges preferred against them. Sixty-

five appeared, and were fined fifty dollars and costs which they promptly paid.

FRANKFORT (Ky.), April 4.—In the Legislature to-day Mr. Peckham offered an amendment to the bill to revise the statutes, in shape of a motion to tender recollection. Miss Esterbrook, with all abolish capital punishment. After a lengthy de-

bate, it was finally agreed that it should be optional with the jury whether they returned a verdict of hanging or imprisonment for life. Омана, April 5 .- The rush of travel westward through Omaha continues to increase, and is now greater than at any period since the completion of

the road over the overland route. The figures at the Union Pacific's general ticket office here show that during the last six days 876 passengers left Omaha on the express trains, and 1,000 by the colony and emigrant trains, ticketed through beyond Ogden. Nearly as many more have been carried Congratulations poured in upon him the next to points in Nebruska, Colorado and Utah, and still London, April 7 .- In the House of Commons tolay, the Rt. Hon. Mr. Lowe, the Chancellor of the

"I only wish I were in your shoes?" echoed a Exchequer, introduced the annual Budget. It second; and Henry, dazzled by the brilliancy of shows that the revenue next year on the basis of expenditures £71.871.000. Of the surplus. £1.-600,000 will be allowed for paying off a portion of NEWSPAPERS, BILL-HEADS, the Alabama indemnity claim. The remaining £1,-600,000 is to be raised by exchequer bonds. It is proposed to take off half the present duty on sugar, and to reduce the income tax to one penny per pound. The reduction on sugars takes effect in May next.

Several members criticised the Budget. Sir Wilfred Lawson remarked that the Government held on to the malt and spirit taxes, and that it was eviof the British Constitution. Mr. Fawcett complained of what he termed the

In the meantime they invite all good citizents to Utah, where property is less taxed and better pro-

tected than elsewhere in the United States. The Directors of the Bureau Veritas, of Brussels. Belgium, report 586 sailing vessels and steamers lost and missing during January and February, being over eighty daily in January, and nearly twenty daily in February. Of these 26 were American sailers and 21 American steamers totally lost, against 284 English sailers and 23 English steamers totally lost.

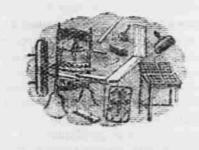

Citizens of Philadelphia have subscribed over tumaciam, to five years imprisonment, and to pay \$800,000 toward the centennial celebration. The city has voted \$2,900,000 and the State \$1,000.000. Sir Bartle Frere's mission to the Sultan of Zanzibar, seeking to bring about the abolition of slavery, has been fruitless of result.

Incompatibility of temper is the alleged cause o the separation of the Marquis of Lorne and the Princess Louise. The incompatibility probably arose from the fact that the lady considered bersel the better man. "Never, my son," remarked a venerable authority, "never marry a woman better or wealthier than yourself. When I married your mother, my boy. I had two shillings and she had two shillings and sixpence; and ever since that event she has been throwing the odd sixpence it my face." The Princess stooped to the Marquis France was in the restoration of a monarchy or and it is not in a woman's nature, especially in the "Sweetest girl! Sweetest fiddlesticks!" roared an empire, and that she must fight against Thiers, nature of the daughter of a Queen, to forget so out the irste old gentleman. "There, there, as, in his opinion, he would attempt to prolong his important a fact. The Marquis has been a good don't talk sentiment to me. Use no retience term till death. husband according to all reports; it has, indeed. been frequently stated that he was especially loyal to his mother-in-law, and that is certainly good

During 1872 the ship-yards of Maine turned out 173 vessels, with an agg egate tonnage of 45,685.46, against 161 vessels and 56,848.79 tons in 1861, when this interest was in its prime. There are under con tract 57,000 tons for the current year, an amoun which will probably be enlarged to 65,000 tons, 800: ahead of any former year. The same activity is reported in the other New England States. The iron ship-building of the Delaware is also manifesting an increased production. Accounts from East Bostor Lady | ruce's party to-night. You'll meet some | third officer (Brady), who arrived here at 5:30 this | are more than encouraging. Ship-builders are so pressed with work in that locality that some have been forced to decline orders, for the reason that they are working up to their full capscity.

The Business.

any additional cost of labor, or at least \$6,000 per year. The work for last month at the same rate per year, amounted to \$7,776. Should an additional line of steamers be put on, they alone would add \$1,500 or \$2,000 to the \$6,000, taken as a medium standard. Any one desiring the busines, will pleaso call at the Lagodry, where full particulars will be given.
